

1. Fibonacci up to 10

```
~/Documents/lab10  
> ./fib  
Calculating Fibonacci(10) using standard recursion...  
Result: 55  
~/Documents/lab10
```

2. Fibonacci up to 55

```
~/Documents/lab10  
> ./fibmeno  
Calculating Fibonacci(50) using Dynamic Programming...  
Result: 12586269025  
~/Documents/lab10
```

3. Knapsack 0-1

```
~/Documents/lab10  
> ./knap  
Knapsack Capacity: 50  
Items available: 3  
  
The maximum value we can carry is: 220  
~/Documents/lab10
```

3. Knapsack 0-1

```
~/Documents/lab10
```

```
> ./knap
```

```
Knapsack Capacity: 50
```

```
Items available: 3
```

```
The maximum value we can carry is: 220
```

```
~/Documents/lab10
```
